

## MISSION:POSSIBLE 10 PROJECT HIGHLIGHTS - WEEK 2

### **CHOIR – Project Leader: Cindy Pratt** [cpratt@mlepc.org](mailto:cpratt@mlepc.org)

Evening event, multiple outreach opportunity among our church singers and the guest singers who join us, as they prepare an upbeat program of sacred songs, with a variety of musical styles and instrumental accompaniment. We will share our program with the folks in local retirement facilities who cannot get out to our public concert on Wednesday July 19, 7:00 p.m. You can help by signing up yourself to sing, inviting others to sing with us, or bringing people to our concert “Lifted Up”.

### **CHOIR HELPERS – Project Leaders: Keith and Tina Engleka** [ktengleka@verizon.net](mailto:ktengleka@verizon.net)

Accompany the Choir to the retirement facilities to interact with the residents, perhaps helping them to and from their rooms. Involves passing out and collecting gifts and prayer cards and pencils or writing their prayer requests for them. Helping to set-up chairs for the choir at the various locations and ushering at the public concert on Wednesday, July 19.

### **BLOOD DRIVE –Project Leader,:Darlene Hasley** [momtomaw@verizon.net](mailto:momtomaw@verizon.net)

A blood drive will once again be held as part of Mission Possible. It will be on Tuesday, July 18, from 1:00 - 7:00 p.m. Volunteers are needed to not only give blood but to shepherd those who come to give blood. The drive will again be in memory of Tori Campbell, a member who died of cancer on May 28, 2016. During Tori's illness, she received many blood transfusions. Her son and family are active members at MLEPC and we are blessed to have this opportunity to once again celebrate Tori's too short life and the impact she made as a Christian witness at MLEPC and beyond.

### **KENYA SEWING PROJECTS – Project Leader: Vanessa Mori** [vmori43@gmail.com](mailto:vmori43@gmail.com)

There will be two sewing projects to benefit the women and girls of Kenya. We will again be making pillowcase dresses and feminine hygiene products. The distribution day to pass out materials and supplies for the dresses will be Saturday, June 10 in the MacDonald room from 10:00 a.m. to noon. The dresses will be sewn by participants on their own time. The hygiene products will be sewn and assembled on Sunday, June 11 in the MacDonald room. A pizza lunch will be served after the Heritage Service (12:15 p.m.) then we will set up an assembly line. Women will be sewing, trimming, cutting, turning and ironing so there will be plenty of jobs even if you don't know how to sew. Ladies of the Cloth from Pleasant Hills Presbyterian will once again help with the sewing project. All of the finished projects will be packed up and given to the pastors that are visiting from Kenya to take back home with them to their people.
