

MISSION:POSSIBLE 10 PROJECT HIGHLIGHTS - WEEK 3

COFFEE ON THE WING – Project Leader: Lindsey Kordella

lkordella@hotmail.com

Are you a morning person? Then you don't want to miss the fun as we help to start our community out on their day in a positive fashion. Consider joining us for one of M:P's most popular events! Volunteers needed from 6:00 - 8:30 a.m. daily, July 17-21, to serve coffee and water to commuters, walkers, joggers, etc. on Washington Road near the church. This is an outreach event to our community and along with offering coffee and water we reach out to take prayer requests. People need their coffee in the morning, but there is also a great need for prayer. No experience required.

INTENTIONAL ACTS OF KINDNESS – Project Leaders: Marina Anania and Renee Skinner

Are you good at smiling? Well a smile is all it takes to share in the fun of Intentional Acts of Kindness and introduce MLEPC to the people throughout our community. With just a smile you can strike up a conversation, take prayer requests and share the exciting events happening at M:P10, especially the picnic! Last year, we visited local establishments to meet new people and were honored to be able to surprise them by paying their bill. You never know where God will lead you on this adventure. During a trip to Eat-n-Park we met a man who could recite all of the books of the Bible. On another outing we brought dinner to the Dormont Police Department to express our gratitude for all they do. We also found ourselves at a local laundromat sharing the good news of the Lord to a man drying his clothes. We even handed out quarters for carts at Aldi's!! Come join the fun by meeting new people, sharing smiles and prayers for our community, all in the name of Jesus. Stay tuned... you never know where Intentional Acts of Kindness will end up next!!

YOUTH – Project Leaders: Karin Smith and Brant Toulouse

Many hands are needed to help with the removal of cement blocks, digging, and lifting heavy timbers, to rebuild a retaining wall for an older couple in Sharpsburg. A retaining wall will also be rebuilt at a home in the Bridgeville/Upper St. Clair area. Youth will assist with set up for the Dormont Summerfest on Thursday, July 20. Other projects throughout the week may include work at the Brookline Food Pantry and hanging door tags in preparation for the Dormont Summerfest.

PRISON MINISTRY – Project Leader: Mary Harwick

mchlydia@aol.com

New this year – On Tuesday, July 18, we will be preparing dinner at MLEPC and taking it to a group of former inmates, families, and mentors at New Hope Methodist Church on the North Side. During the meal, we will have an opportunity to serve and interact with people, sharing the love of Christ in a very tangible way. We will also be collecting items for prisoners at the Allegheny County Jail, to be published in a later bulletin.
