

MISSION:POSSIBLE 10 JULY 16-23, 2017

Mission:Possible is our annual "backyard mission trip," sharing Christ's love right here in our own neighborhood. Our week of local ministry allows our entire congregation to get involved and experience a true mission journey, complete with various service options, meals and fellowship, and prayer and worship. Take the opportunity to grow together in faith and fellowship this summer, even as we seek to bless those in our community!
